BFA

INTERNSHIP PROGRAM

Introduction:

The purpose of an internship is to provide the BFA student with an opportunity to observe “a way of life” for which one day s/he may be responsible. The goal is to provide the student with every opportunity to learn about the professional theatre by working in a professional theatre. You are, admittedly, entering a relationship with a professional company as a novice. Neither the School nor the student should enter into the internship with the idea that you are prepared to work in the company of professionals as “a professional.” In short, you may or may not be working directly in the area for which you were trained. It is expected, however, that you will be provided opportunities to learn about those areas of study to which you have focused as well as provide you with opportunities to expose yourself to other areas of employment in the professional theatre for which you may develop interest.

Academic credit for this internship is provided by Stephen F. Austin State University and the School of Theatre. For this reason, all internships must be approved by the faculty. The faculty appropriately assumes responsibility for approving internship applications based on their judgment as to what will best serve the student. Internships are for the most part limited to those Professional Companies with whom the School has a relationship. Exceptions to this may be made only with the approval of the Director of the School and the Theatre Faculty and only under extraordinary circumstances. Students may request exceptions and must show good reason. Before an exception can be granted the Director of the School must have reached a satisfactory agreement with the theatre as to the quality of the educational experience provided.

Approved Internships:

Milwaukee Repertory Theatre Company - Acting
Arizona Theatre Company – all areas except acting
Theatre Three Dallas – all areas
Dallas Children’s Theatre Company – all areas
Guthrie Theater – Stage Management
A.D. Players – all areas
Alley Theatre – all areas

European Theatre Arts:  London / Barcelona/ Tallin
Theatre Design: London,
Stage Management: London
INTERNSHIPS:

The School of Theatre at Stephen F. Austin State University provides in its BFA program a professionally oriented curriculum. The Theatre internship is an extension of that curriculum and requires the coordination of four individuals: (1) the student, (2) the academic supervisor, (3) the on-site professional supervisor, and (4) the Director of the SFA School of Theatre. For students who excel in the BFA curriculum, the internship extends instruction into the professional world. The student intern must be more than an individual who has acquired a temporary job in a professional theatre. To insure participation by the most highly motivated students who will gain greatest benefit from their work experience, the student must demonstrate that their performance / technical / design skills in the SFA production program and their academic abilities merit such selection.

ELIGIBILITY:

The internship is limited to Juniors and Seniors who have completed 60 hours of university credit, including: Theatre 221 (Beginning Acting), at least two of the following: Theatre 231 (Costume Technology), Theatre 232 (Stage Make-up), Theatre 241 (Stagecraft), Theatre 242 (Lighting Technology), and a minimum of 24 hours in non-departmental university requirements.

Only students enrolled in the BFA program are eligible to earn academic credit.

Academic Requirements:

Must have achieved a 3.0 average in all theatre classes
Must have a 2.75 GPA (overall average on SFA transcript).

Credit:

Must be registered for the Internship course while completing internship.
Credit will not be granted for previous work.

Full time students may enroll for 12 credits per semester to maintain their status as full time students to qualify for financial aid.

Only 19 hours of credit may be applied to BFA degree.

Theatre 452 counts as advanced Theatre credit.
APPLICATION PROCEDURES:

Applicants should submit a one page essay to the Director of the School stating as succinctly as possible their goals, and what they hope to achieve in an internship program. They should indicate where they wish to serve their internship (list first and second choices) and how those programs will best meet their goals. Applicants must include a resume of production work as well as an SFA Transcript of all course work completed as well as a listing of all course work needed to complete the BFA degree.

Due Dates for applications are posted on the School Call board and those dates are announced sometime in November.

Audition / Interview Procedures:

If approved by the School, the applicant may then audition or interview with the theatre company. This may occur on site (requiring the student to travel to the host theatre company) or it may occur at SFA.

If approved by the theatre company, the applicant must then prepare a contract which lists expected duties and responsibilities, pay and/ or housing (if applicable), hours of work, beginning and start dates. See Internship Contract and Position Description Form found in the Internship Packet. Some companies may provide you with an existing contract. What is important is that duties and responsibilities be made clear.

Internship Packets are available from the Administrative Assistant.

All contracts must be signed by the student, the faculty advisor, and the Director of the School before the student begins their internship.

Evaluation Procedures: Interns are evaluated each semester on a Pass / Fail basis. It is not likely a student who completes the internship would fail their internship. It is more likely that a student who does not meet their responsibilities would be removed from their internship and thus fail. The result of such action would, or course, seriously delay completion of the degree.

JOURNAL: (see Internship Packet): during the intern residency, the student is required to submit a journal (detailing weekly activities) twice a semester: one at mid-terms and again at the end of the semester. Journals are to be submitted to the Faculty Advisor and will be retained in the School for future reference. No grades are assigned until journal has been submitted.
SUPERVISOR’S EVALUATION OF INTERN: (see Intern Packet) At the end of each semester, the on-site supervisor will complete an evaluation form which is in turn mailed to the Faculty Supervisor. No grades are assigned until this evaluation has been completed. This evaluation should occur at the end of both the Fall and Spring Semester. NOTE: IT IS THE STUDENT’S RESPONSIBILITY TO SUBMIT THIS FORM TO THE SUPERVISOR).

STUDENT EVALUATION OF SUPERVISOR AND INTERNSHIP: (see Intern Packet) At the end of the Internship, the intern will submit to their advisor an evaluation of their Supervisor as well as an evaluation of their internship (Part I and Part 2).

IT IS EXTREMELY IMPORTANT THAT STUDENT INTERNS REMAIN IN CONTACT WITH THEIR ADVISORS THROUGHOUT THE YEAR AND THAT THE SCHOOL DIRECTOR BE MADE AWARE OF ANY “PROBLEMS” THE STUDENT MAY BE EXPERIENCING.

Performance Majors
EUROPEAN THEATRE ARTS PROGRAM

BFA students have the option of spending one year abroad studying European Theatre Arts: one semester at Rose Bruford College – London, England and one semester at Institut del Teatre, Barcelona, Spain (or other designated sites in Prague, Tallinn, Madrid, etc.) Admission is subject to faculty approval. Applications are the same as for the internship program.

The year abroad will enable students to explore the traditions and practices of theatre in European countries. Students will study plays in English and all classes will be conducted in English or with an interpreter. Theory will be combined with practice and students will be taught in workshops, intensive practical sessions, seminars, and tutorials.

Rose Bruford College and the European Theatre Institutes have an international reputation in the training of actors, directors, and designers. We believe that theatre students grounded in the traditions of American, British, and European Theatre will play a major part in the development of theatre in the 21st Century.
